Getting around in the city

Below is a transport map of central Copenhagen with the venues and the Odd follow palace marked.

Bus 6A is particularly useful, as it links many of the hotels, the Imperial Cinema and the Panum Institute. *Nørreport* station is a very useful interchange, where S-trains, regional trains, busses and Metro all converge. Tickets for public transport are valid on all forms of transport (except taxis). All delegates (but not accompanying persons) will get a 10-ride "klippekort" for transport in the central Copenhagen region. Each time you put the card into a clipping machine (on train/Metro platdorms, or near the entrance of busses), you can ride anywhere in the central Copenhagen region for one hour.
